Foreword

It is a pleasure for us, the yearbook staff, to present *The Cornerstone* of 1985. The pictures in the book capture moments of a full and exciting school year.

Time has flown so rapidly that it is difficult for us to believe that the 1984-85 school year is drawing to a close. The year was a busy one and we never seemed to have enough time for all the things we would have liked to have done. This school year witnessed a vastly expanded computer program for both students and staff, the establishment of a cross-country course on campus and official teams, dedication of the field house in honor of James Behrens, new vocational planning with a coordinator, hosting the ESDAA girls basketball tournament, hosting the Scout Camporee, production of a successful play, as well as countless other activities in which we were all involved. Many people helped us and we learned to help others. It was a year of learning and growing for us.

We hope that you will enjoy this yearbook and that the memories stored in it will be treasured the rest of your lives.

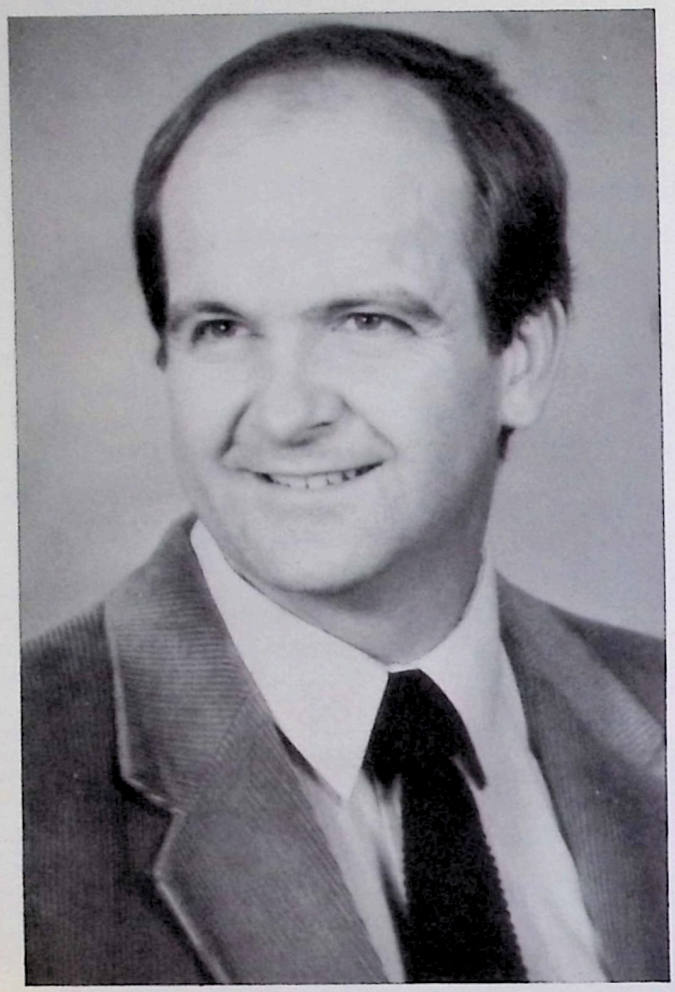
Dedication



J. Wayne Sinclair

The 1985 Cornerstone is proudly dedicated to Mr. J. Wayne Sinclair, Assistant Principal, Advanced Department. Mr. Sinclair came to the Maryland School for the Deaf in 1968 as a teacher. In 1973 he became the supervising teacher of the Intermediate and Advanced Departments. Later, because of the growth of the school, the responsibilities were divided and Mr. Sinclair assumed specific responsibilities for the Advanced Department.

Mr. Sinclair has worked hard to maintain a quality educational program for students here at MSD. Under his supervision and leadership, programs in the classroom and in the dormitories have been united to provide total education to students. He has spent much time assisting with curriculum design, development, and implementation for the benefit of MSD students. He has demonstrated deep interest in the welfare of young people in his department and has unselfishly given his time and energy for their benefit.

It is with real pleasure that we dedicate *The 1985 Cornerstone* to Mr. J. Wayne Sinclair.

MESSAGE FROM GOVERNOR HARRY HUGHES

On behalf of the citizens of Maryland, I am pleased to extend my heartiest congratulations to the 1985 graduating class of the Maryland School for the Deaf.

I know how proud you must feel to be honored on this day and how grateful you must be to your family, friends and teachers for helping to make it possible.

This is a time to ask yourself not only what you intend to be doing from this day on, but also what you intend being. Think of the people who helped make this day happen, and what you will do to respect their contribution.

It is your life, your State and your world. Take advantage of the opportunity you have been given and claim your rightful place in society.

I wish each of you the best of luck for success in the coming years.

Sincerely,

Harry Hughes

David M. Denton
Superintendent

To the Class of 1985:

Through this letter, I am acknowledging your graduation from the Maryland School for the Deaf and offering congratulations on behalf of the entire School Family. Today, you are a student in school supported by the people of the State of Maryland . . . tomorrow, you will be a private citizen working and earning and paying your share of taxes in order that other children may go to school.

This is really the way life works . . . as students and children, we depend largely upon other people for the things that we need; food, a place to live, education, and then, all too soon, it is our turn to provide these same things for others.

Graduation really is a time of transition . . . a time when we move almost overnight from childhood to adulthood. In addition to congratulations, may I also offer you a challenge to use your education and your skills to improve the society in which you live.

Sincerely,

David M. Denton

ear MSD Class of 1985:

As you graduate from MSD in June, you are reaching a goal for which you have worked for many years. Some of you have been at MSD since you were very young, and some of you came only recently. Nevertheless, each one of you has become a very important part in MSD's history, just as MSD is an important part of what you have become.

Graduation from MSD marks the real beginning of your education. If we have done an effective job of preparing you for that education by providing you with a caring, nurturing learning enviroment, and if you have put yourself to the task of stretching to attain your own goals, then you will be ready to face the challenge of an ever-expanding world. In that world you will be expected to function as an adult, ready to make wise decisions and to contribute to the society of which you are a part.

Please accept my congratulations and best wishes for a fulfilling, contributing future.

Sincerely,

Don H. Garner

CHARLIE'S COMMENTS

With only 18 players to start the season, it looked as though it was going to be a long football season. However, the players who did play did an outstanding job. We lost our first game against Riverdale Baptist, the boys bounced back to upset a heavily favored West Nottingham Academy team, however. Because of injuries, we had to cancel three games in order to save the season. The boys wanted to continue with the games, but with only 14 players remaining, I felt it wise to drop the remaining games.

I would like to say that I am very proud of the boys who played this year and worked extremely hard for the school. The boys have a great deal of school spirit and personal pride.

Thank you for a job well done.

BETTE'S COMMENTS

The Varsity Football Cheerleaders began their year at the National Cheerleaders Association Spirit Camp in July. Returning cheerleaders were seniors Bridgetta Bourne and LuAnne Blake, Captain and Co-captain respectively. Girls with some Junior Varsity and/or Junior High cheerleading experience were Lisa Newton, a sophomore, and Sheila Monigan, a freshman. First time cheerleaders at MSD were senior Tyrell Edwards and freshmen Tammy Kight, Robin Daniels and Jennifer Stump. Keeping the rhythm and beat on the drum was Antines Davis.

In July the squad learned new cheers, chants, and dance routines. Mounts, partner stunts, and building pyramids were also learned.

The squad worked on perfecting the cheers, making their moves look sharp, improving their gymnastic skills and jumps, and especially on incorporating their cheers and mounts.

It was a season of getting to know each other better, learning what each individual's skills and weaknesses were and building on the squad's strengths.

Ready for battle

Take a break, everyone, it's halftime!

The MSD Orioles hosted the VSD Cardinals for their annual Homecoming game. With the passing of Roger Kraft and the fine running of Sean Kerins and Eric Woods, the Orioles were able to defeat the Cardinals 22 to 12. The win helped a season that started with only eighteen players. The defense did a good job of controlling an explosive Virginia offense and not giving up the big play. The Oriole defense gave up only one touchdown, and that one came in fourth period. The other Cardinal score was an 80 yard kick off return to start the second half.

BRIAN'S COMMENTS

The Midget Football team won our first three games with good team effort: a lot of good drives by the offense which scored and a defense which worked hard to stop the other teams from scoring against us.

The fourth game was our first defeat of the season. Although we were tied with the Lions at half time, we made a lot of mistakes in the second half and the Lions didn't.

We lost three more games before we broke the losing streak by beating the Packers, 58 to 0, our first shut-out. Our whole team worked hard to get this victory.

We ended the season with our second loss to the Lions.

Our record for this year was four wins and five losses.

This year's Junior High Cheerleaders were Karen Bosley, Adrienne Neal, Bobbi Sue Renfrew, Tina Young, Sharlene Dietrich, Robin Rozga, and Ratanda Finney and the sponsors were Janet Whitmore and Carol Mullinix. All of the girls worked hard to learn their chants, dances and routines. The girls practiced and improved a lot during the season. The sponsors were pleased with the girls' efforts and encouraged them to try-out again next year. The team appreciated having the cheerleaders at the games.

JAY'S COMMENTS

The girls' Cross Country team demonstrated excellent balance on the way to a winning record in their first full season. MSD had 4 number 1 runners at different times during the season. A highlight of their season was the homecoming meet where the numbers 1 through 5 runners finished only 27 seconds apart. This balance was responsible for their 7-1 dual meet record and 3rd place finish in the Frederick County Championships. The Orioles set up their first home course behind the gym with Darla Milner establishing the 2.5 mile record. Tiffany Williams was selected as one of the top ten runners in Frederick County by the Frederick News-Post.

The Boys' Cross Country team finished their first full season with a 6-3 dual meet record and a 5th place finish in the Frederick County Championships. They had an outstanding season and improved their individual performances in each race. Joey Baer established the first MSD course record on the new 2.86 mile course. Joey also finished in 1st place in 5 races during the season and was selected as one of the top ten runners in Frederick County by the Frederick News-Post.

The MSD girls' and boys' Cross Country teams were outstanding groups. They worked hard and sacrificed themselves to help their teammates while accomplishing much more this year than was expected of them. They set a standard for all MSD Cross Country teams in the future. Special mention is made of the seniors who provided good leadership, Tiffany Williams, Elena Gee, Bridgetta Bourne, Cindy Kerr, Joey Baer, and Scott Groninger.

The varsity basketball team, coached by Jerry L. During the regular season the team fought hard in each game. They won 9 games and lost eleven. Seniors on this year's team were Joey Baer, David Martin, Eric Bonds, Scott Groninger, Roger Kraft, and Edward Kowalski. Outstanding players were Joey Baer and Derek Stradford.

BARBARA'S COMMENTS

The 1984-1985 Cheerleading Squad had a rough year during the basketball season. We started with nine members on the squad during the football season and ended up with only four girls able to compete in the Cheerleading Competion. There were various reasons for decreasing numbers of cheerleaders such as low grades, attitudes, and lack of practice. We did a grand finale, clinching the first place spot in the Cheerleading Competition at the ESDAA Tournament. Our squad of four girls competed against squads of 6 to 8 people. Bridgetta Bourne, a senior, won her first team championship after coming in second the last two years. She also won first place in the Individual Cheers Competition.

Bridgetta Bourne and Belinda Monigan, both seniors, were selected by the cheerleading coaches to the All-Star Team. For Belinda, it was a great honor as she became a cheerleader from a drummer in only ONE week due to an injury of Tammy Kight. We also thanked Antines Davis for being our alternate drummer in the tournament.

We really earned the ESDAA Division I Cheerleading Competition Championship because of all the hours and effort we put into working with the squad. We are looking forward to next year and anticipating a good year because we have four girls returning to the squad. The freshmen girls: Robin Daniels, Tammy Kight, Sheila Monigan, and Jenny Stump have shown great improvement this year. Hopefully they can remain healthy and keep their grades up in order to have another great squad of young cheerleaders.

This coming summer, we hope to take the full squad to Hood College for the National Cheerleaders Association Spirit Clinic. At this camp, the girls learn new cheers, chants, dance routines and pyramid building skills.

Being a cheerleader coach was a learning experience for me to deal with. I learned how to develop game strategy, practice organization, relationships between the school and dorm and philosophy of cheerleading for the girls. I tried to help the girls learn to develop better self-confidence and better self-discipline. After winning the championship I have seen the girls showing high self-confidence and speaking for themselves. The job of being a coach should develop perspective, perceptiveness, sensitivity and an understanding of athletes. I did it! Looking forward for next year's squad of 1985-1986!

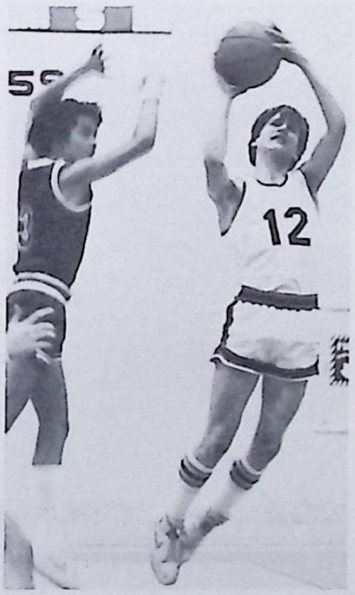
CAM'S COMMENTS

A long season has come to a close for the JV Orioles. Our seasonal record finished at 2-10. Fortunately for us, statistics do not paint the whole picture. We fielded the youngest, most inexperienced team that our fans have seen in many years. Despite adversity, the boys learned a lot of basic skills that will equip them for success next year. Basketball people know that defense is the key to victory. Our squad set personal and team defensive goals prior to each game. If our record were based on defense we would be 8-4. The boys played a multi-defense which forces them to think and stay alert. For a young club to play an aggressive man to man defense mixed with a full court press is an accomplishment of which the boys can be proud. In my three years of coaching at MSD I have never had a team so young with so much potential. The desire and natural ability will pay off in the win column next year.

On the offense end of the court things were little different. We had more speed this year than in the past. James Gardiner, Shawn Richardson, and Matt Thompson have incredible speed. They can dribble on the left or the right and have a nose for the basket. Unfortunately, their noses were not where their shots were. That gives us something to work on over the summer.

Next year we will lose team captain Willie Savoy. Willie is the finest leader I have had on a team. His humor and devotion combine to make him an unchallengeable force. The boys respect and follow him by choice. He is a tribute to what a quality sports program should be producing. Other team members leaving are Todd Rollins, David Palak, Shawn Richardson, Eric Roberts, and possibly some of next year's freshmen. We will make those changes based on the boys' off season development. I wish them all great success in their varsity careers.



The 30-footer will go in!

LORRAINE'S COMMENTS

The Varsity Girls Basketball Team had a rough year, ending with a 2-13 record and placing 2nd in the ESDAA tournament. The team was a very young group struggling through each game with only three returning players from last year. Our two seniors, Sharon Washington and Antines Davis contributed a lot to the team. Sharon did an outstanding job at rebounding (11 rpg) and shooting (12 ppg), while Antines' high spirit and strong support kept us playing harder throughout the games. We will miss them next year.

At the end of the season, we felt good about our improving knowledge from the games, our skills, and our attitudes. We know that the team still has a great future.

The ESDAA tournament, which was hosted at our Orioles home base, was a success. There were 6 schools for the deaf participating in the tournament.

We, MSD, played only two games. First, against NYSD, we beat them by 32-26. Throughout the game, we chased NYSD by two points. Finally we caught up with them in the last five minutes and won the game. The second game was the championship game with MKSD (New Jersey). We had a very bad start in the first half, 6-25. In the second half we did an incredible job trying to catch up with the score. At the fourth quarter with two minutes left we were only six points behind but we confronted foul trouble. We lost by 32-43.

Sharon Washington was selected as one of the 1st Five All Stars and Stacie Renfrew as one of the 2nd Five All Stars.

I'm VERY proud of the girls for working hard, not giving up and placing 2nd in the tourney.

NANCY'S COMMENTS

It was a year of more learning and added experiences for the Junior Varsity girls team. Improvement was shown throughout the season in cooperation, understanding and confidence. The overall record was 1-7. However the games they played were competitive and exciting. The most thrilling games were played against Hancock, Mercersburg and MSSD. The team finally crushed Prospect Hall after a long time.

If all players return, the team will do even better next season, but some of them are expected to move up to the Varsity team. We wish them good luck!

JIM'S COMMENTS

The MSD Wrestling Team began the year with many new young wrestlers. As the year progressed these young men improved immensely because of their willingness to practice hard and to learn many new skills. As a result of these attributes the MSD Wrestling Team was able to obtain 8 out of 9 team goals established before the season began. Some of the highlights include:

1. Placing 2nd at the Mason-Dixon Tournament and setting a new school record for team points.
2. Placing 2nd at the ESDAA Tournament, marking the 6th time out of 8 years MSD has placed in the ESDAA Tournament.
3. Placing 3rd in the Frederick County Tournament.
4. Placing 12th out of 22 in the St. Alban's Tournament-setting a new team points record.
5. Placing 30th out of 89 in the National Prep School Tournament establishing a new team points record.

As a team this has been one of the most coachable, sharing group of young wrestlers that has been at MSD. A special mention should go to our seniors and team captains, Sean Kerins, Tad Robinson, Norman Rogers, Eric Woods, and Dennis Gladhill. They led us to a very successful year.

DICK'S COMMENTS

This year was a building year because of the loss of 11 first team boys from the 1984 ESDAA Champions. The team was good this year because of the freshman class from last year. Going through the team by events: William Jackson and Randy Shephard were outstanding in the sprints. The hurdles were in good hands with Shawn Richardson and Eric Roberts. In the field events Derek Stradford, Anthony Epps, Sidney Claggett, and William Jackson were outstanding. The long and middle distances were the strong part of the team. Sudhir Walia, Willie Savoy, Tyrell Edwards, Joey Baer and Scott Groninger (from the cross country team) were all outstanding. The boys did very well as proved in our first two meets with Clear Springs and most importantly with Catoctin/ Walkersville when the boys gave up first place by only 5 points behind Walkersville.

Looking over the outdoor track season and the number of girls we had show up for the first week of practice, the 1985 season was an exciting one.

This year we had a solid core of girls who have been running since school started in the fall. They continued their training through the Indoor season and were ready for warm weather to hit.

The girls set several goals this year. One was to break as many school records as possible. Another was to improve their place in the Frederick County Track Championship and finally, the girls wanted to win the ESDAA Track and Field Championship and set as many ESDAA records as they could.

With many seniors and five Olympians, this year's track season built up as an exciting one.

During the 1984-85 school term we have had 30 members in our club. There is about the same number of girls as boys. Students must be 13 or older before joining the club.

We have meetings once each month and each member must know the pass-word before entering the meeting. Our officers meet often to make plans for coming events. There are five officers who work closely with sponsors to make the club a success.

We have a lot of fun activities such as roller skating, swimming parties, Christmas parties and others.

Our members learn how to conduct meetings, plan activities and plan fund raising such as bake sales, having a carnival and other ways to earn money. The money goes to help buy refreshments for our parties and to help pay part on our tickets to King's Dominion.

We went camping once during May and had a trip to King's Dominion. We thank our sponsors for their help during the year. This has been a great year for all of us.

The Maryland School for the Deaf Jr. N.A.D. chapter has been active this year primarily within our school, and also the local community and with the other Jr. N.A.D. chapters in the Nation. We accomplished many outstanding projects such as:

—Collected food for the needy people of Frederick (United Way)
—Helped with Miss M.S.D. Pageant
—Helped with E.S.D.A.A. Girls Basketball Tournament
—Helped with M.S.D. play, "Harvey"
—Donated money for M.S.D. fieldhouse plaque
—Lifted school spirit by selling Orange pom poms
—Decorated Administration doors at Christmas time
—Helped collect Kelloggs' box tops for the Pee Wee N.A.D. chapter to help save Miss. Liberty
—Sent $100 to the Deaf Olympic Committee to purchase a flag for a country
—Wrote a letter to the Governor of Minnesota to help save the Minnesota School for the Deaf
—Wrote letters to National Jr. N.A.D. chapters to help collect money to save Miss Liberty as a group
—Hosted a Jr. N.A.D. week
—Donated money to help Cheerleaders buy new uniforms

We are proud of our chapter which is one of the brightest and includes a mixture of so many young Freshmen and Seniors. It was a year of giving, sharing, and growing with others.

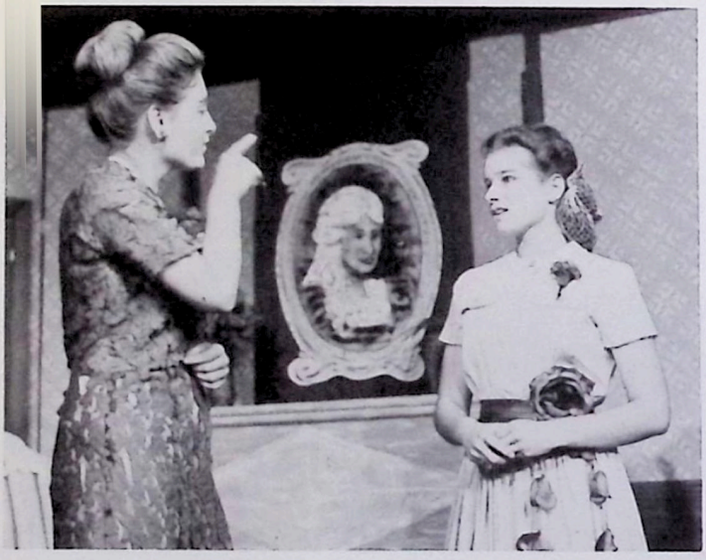
Harvey

Our well-trained actors make themselves up.

Making Wenonah look old is a difficult job but Judy Diot does it well!

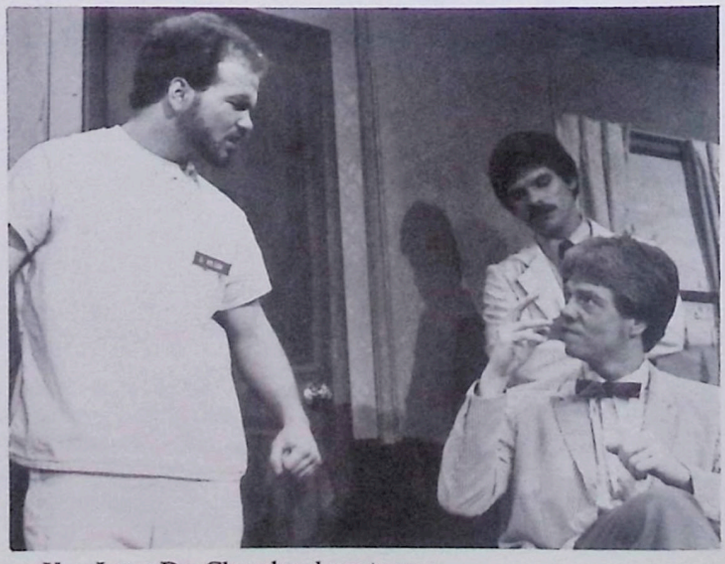


It really isn't Uncle Elwood's fault.

On March 21, 22 and 23 the public was invited to see MSD's version of the 1944 Broadway hit, "Harvey", presented by the Maryland School for the Deaf Ely Literary Society.

The play is about a questionably sane middle-aged man, Elwood P. Dowd, and his best friend Harvey, who is a 6-foot invisible rabbit. Elwood's sister, Veta Mae Simmons, decides to commit him into a sanitorium run by Dr. Chumley. But Dr. Chumley's assistant, Dr. Sanderson, thought it was Veta who needed help and commited her instead. Confusion follows and the audience is left laughing. Linganore High School Drama class provided the voices for our actors.

He left here as a close friend and supporter of this sanitorium.

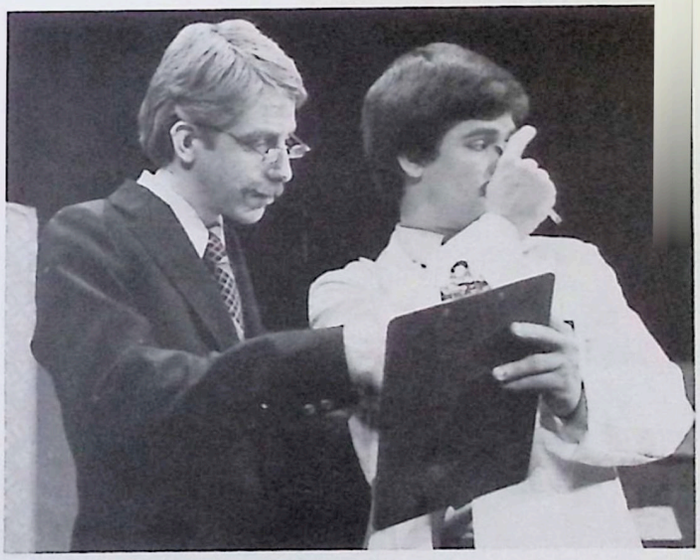


Yes, I saw Dr. Chumley downtown.

You both are in the same boat.

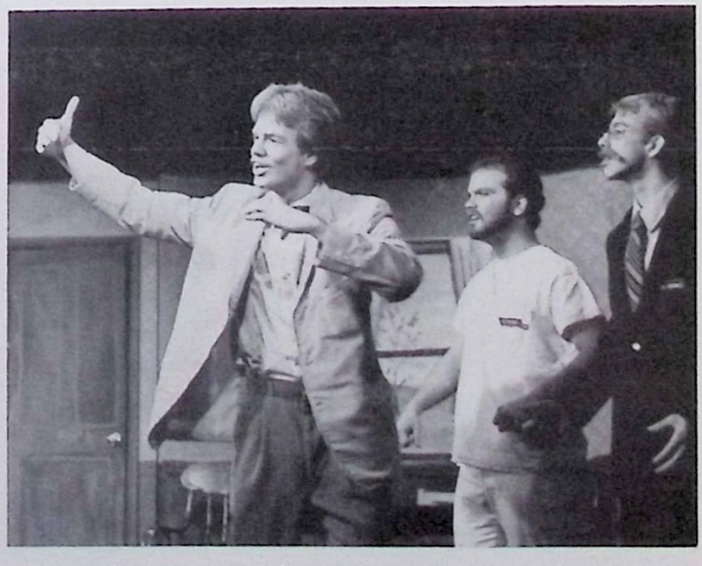
M-m-m . . .

Elwood obviously was just here!



I suggest that Mr. Dowd undergo treatment using Formula #977.

Look here, lady, I want my money now and I won't wait.



"Where have you been? I've been looking all over for you"

Miss MSD Pageant

sponsored by Junior National Association of the Deaf

The second Miss MSD Pageant was hosted by the Junior National Association of the Deaf on December 2, 1985. Presiding as Master of Ceremonies was Christopher Hughes and the six contestants were LuAnne Blake, Sandra Blazejak, Bridgetta Bourne, Darla Milner, Belinda Monigan, and Nancy Ward. This pageant gave our girls some experience in participating in a pageant. Events the girls participated in were: Evening Gown Competition, On-Stage Interview, Talent Competition and Private Interview.

The new Miss MSD, Bridgetta Bourne, was crowned by Olivia Thompson, Miss MSD of 1983. Bridgetta will represent Miss MSD in the Miss Deaf Maryland Pageant in September, 1985. The winner of the Miss Deaf Maryland pageant will go to Utah in the summer of 1986 to compete in the Miss Deaf America Pageant.
